ABOUT COLLECTION

We are committed to redefining contemporary design by offering laminates that are not only visually stunning but also highly functional, easy to maintain, and environmentally conscious. With a wide range of premium shades and textures, our acrylic laminates empower architects, designers, and homeowners to create sophisticated, luxurious environments. We believe in innovation, quality, and excellence—bringing elegance to life, one surface at a time.

EDGE BAND

Seamless Design.
Lasting Durability.

Catch Acrylic proudly presents Edge Band, a premium solution engineered to deliver exceptional functional and aesthetic performance in edge finishing. Created to eliminate issues associated with seam decorations, it ensures a clean, high-quality finish—making it one of the most reliable, decorative, and durable options for crafting elegant furniture with perfectly matched edges.

Edge Band is a PVC sealing strip designed to protect exposed substrate edges while enhancing the overall appearance by blending seamlessly with the surface finish. Developed with advanced technology for superior durability, it offers excellent scratch resistance, strong UV protection, exceptional adhesion, and long-lasting anti-fading performance.

PRODUCT HIGHLIGHTS

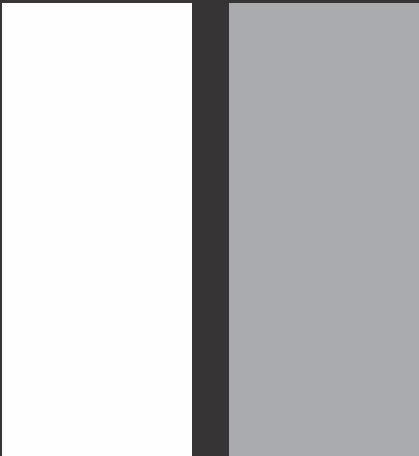

- **Elegant & Functional:** Combines appealing design with strong edge protection.
Seamless Match: Ensures a cohesive, realistic look that blends perfectly with the furniture surface.
- **Superior Durability:** Built to resist scratches, fading, and harsh conditions.
- **Flexible & Easy to Use:** Easily bendable without creasing or color distortion; suitable for application with standard carpenter tools.

AVAILABLE SIZES

Width: 25mm (Standard)
Thickness: 1.25 MM

TECHNICAL PARAMETERS

- Highly resistant to heat, chemicals, scratches, and abrasion under recommended usage conditions.
- Simple to apply using both manual and machine tools.
- Manufactured from environmentally safe materials and compliant with standard quality benchmarks.
- Engineered for excellent flexibility and performance without compromising on visual appeal.
